NEXT YEAR'S PRIORITIES / BUDGET

Estimated repair costs avoided by catching things early \$

Seasonal Checklist

The DMV calendar — check items off as you complete them each season.

SPRING

Inspect roof for winter damage

Clean gutters

Check grading & drainage

Inspect siding for cracks

Service HVAC (cooling)

Notes:

SUMMER

Check attic ventilation

Inspect for pest activity

Pressure wash exterior (carefully)

Inspect deck & railings

Trim tree branches off the house

Notes:

FALL

Clean gutters again (twice!)

Check flashing & roof valleys

Inspect windows/doors for drafts

Test sump pump

Seal gaps in siding & caulk

Notes:

WINTER

Monitor for ice dams

Watch for snow-load issues

Keep furnace vents clear

Check indoor moisture buildup

Restock emergency supplies

Notes:

Tip: duplicate this file each year (File → Save As) so your history stays intact.
